Welcome to the website of Hornsby Ku-ring-gai Health Service. Our Health Service provides quality health care to the Hornsby Ku-ring-gai area, a community which stretches from the Hawkesbury River to Roseville, east to St Ives and west to Pennant Hills, Cherrybrook and Epping.

Our vision is to be a leader in health care provision in partnership with our community. We are committed to promoting, protecting and maintaining the health, well-being and quality of life of our community. If you would like to read more about our [services](#), go the [about us](#) section of this site. Or you might like to jump straight to the most popular sections of our site: [health fact sheets](#), [doctors](#), [transport](#) or [location maps](#).

Our strong community focus lead us to establish this website, in response to community requests. Our community and consumers were very involved in the development of this site. This website is updated regularly and we hope that you'll feel free to [tell us](#) if you would like particular information added to the site. You might also like to fill in our [feedback form](#) to ask for more information, tell us about your experience with the services at Hornsby Ku-ring-gai Hospital or any of our community-based services, pay us a compliment, make a suggestion for alternative or improved services or make a complaint. We value your feedback highly.

We are a sector within [Northern Sydney Central Coast Health \(NSCCH\)](#).
